JLRC is the sole authorized distributor of Land Rover vehicles in Canada, and cover only vehicles originally specified and built by Jaguar Land Rover Limited for Canada.

Land Rover warranties are in favor of the original purchaser and each subsequent owner during the respective warranty periods.

JLR will not cover the costs to modify the vehicle to meet legal requirements in another country. If you need to make modifications to your Land Rover vehicle in order to meet another country's legal requirements, JLR encourage you to have these modifications performed at an authorized Land Rover retailer.

**Notwithstanding anything to the contrary in this Passport to Service, the warranties and benefits (including, but not limited to, the Roadside Assistance Program and service adjustments) detailed in this booklet are applicable to vehicles sold only in the United States, Puerto Rico, Guam, and Canada, and that have only been operated in the United States, Puerto Rico, Guam, and Canada, subject to all applicable exclusions or limitations. The Passport to Service (i.e., warranties and Roadside Assistance) will be voided and you will not be able to receive any warranty repairs or benefits contained in this booklet if your vehicle is exported to another country.
